	APPROVAL OF STATE ENGINEER
77	
	his is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
	ing limitations and conditions: This permit to change the point of diversion of
the	waters of an underground source as heretofore granted under Permit
1929	7 is issued subject to the terms and conditions imposed in said
Pern	nit 19297 and with the understanding that no other rights on the
sour	ce will be affected by the change proposed herein. The well shall
be e	quipped with a 2-inch opening, an air line and a weir or other type
	easuring device at or near the well to facilitate the measurement
and	control of the water. If well is flowing, a valve must be installed
	maintained to prevent waste. The State reserves the right to regu-
•	the use of the water under this proposed change at any and all
time	
The ar	nount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not
	ed
all	ly duty of 4.0 acre-feet per acre of land irrigated from any and/or sources.
•	construction work shall begin on or before
Proof 6	of commencement of work shall be filed before
Work	nust be prosecuted with reasonable diligence and be completed on or before
•	of completion of work shall be filed before February 21, 1967
Applic	ation of water to beneficial use shall be made on or before
Proof	of the application of water to beneficial use shall be filed on or before
Map in	support of proof of beneficial use shall be filed on or before February 21, 1970
	ncement of work filed
Proof o	beneficial use filed
Certifica	map filed of July , 1965 te No. Issued
